

Dine like a Scottish Noble

Your clients have gazed enraptured as Scotland's rich and dramatic history is brought to life on the silver screen. Now here's your opportunity to offer a dining experience emulating Caledonia's legendary nobles by dining in sumptuous style in the stunningly atmospheric, Maryculter House – a historic hotel dating back to 1225*.

Of course, they'll need to look the part – We will provide kilts and ladies' tartan sashes.

Our very own piper will greet guests on arrival with some stirring Scottish tunes, before the evening gets underway with a selection of Scottish cocktails.

A photographer will also be on hand to capture the moment for posterity.
